How to Release God's Healing Power Through Prayer

Faith healing is the practice of prayer and gestures (such as laying on of hands) that are believed by some to elicit divine intervention in spiritual and physical healing, especially the Christian practice. Believers assert that the healing of disease and disability can be brought about by religious faith through prayer and/or other rituals ...

healing on the basis of faith or promise, before it has happened, is generally unwise, and always inexcusable, unless the faith is actually there. Even when it is there, it is better by far to be able to testify with the double voice one the articulate voice of praise and thanksgiving, and the other the inarticulate voice of the physical manifestation itself. Remember that faith ... the ...
