how to play basketball pdf

Each team is assigned a basket or goal to defend. This means that the other basket is their scoring basket. At halftime, the teams switch goals. The game begins with one player from either team at center court. A referee will toss the ball up between the two. The player that gets his hands on the ball will tip it to a teammate. This is called a tip-off. In addition to stealing the ball from an opposing player, there are other ways for a team to get the ball.

Basketball Basics - The Rules, Concepts, Definitions, and

Basketball 5 There are many variants of basketball, some play indoors and some outdoors, some play on larger grounds, and some teams have more players.

About the Tutorial - tutorialspoint.com

How to Play Basketball. Originally invented as a way of keeping students busy during the cold winter months, basketball was invented by James Naismith in 1891. The first game was played by shooting a ball into a peach basket nailed to a...

How to Play Basketball (with Pictures) - wikiHow

The purpose of the game is to throw through the basket. When this happens the player throwing me has "shot two points" and his team's score is increased by two.
