This report examines governance frameworks to counter illicit trade. It looks at the adequacy and effectiveness of sanctions and penalties applicable, the steps parties engaged in illicit trade take to lower the risk of detection - for example through small shipments - and the use of free trade zones as ...

Governance Frameworks to Counter Illicit Trade - en - OECD

papers published alongside it as part of the larger project, proposes is that economies that are laggards on the issue can start small and build towards a better environment for preventing illicit trade. And the economies that are leaders should lead. due to low scores on the "supply and demand" and the "transparency and trade" indicators. Among the four categories in the index ...

The Global Illicit Trade Environment Index

The Illicit Trafficking of Counterfeit Goods and Transnational Organized Crime As a global, multibillion dollar crime, organized criminal groups have not hesitated to cash in on the trade in counterfeit goods. In many parts of the world, international, regional and national law enforcement authorities have uncovered intricate links between this crime and other serious offences including ...
