sion of the meaningfulness and richness of the world. This book will consider the visual quality of the American city by studying the mental image of that city which is held by its citizens. It will concentrate especially on one particular visual quality: the apparent clarity or "Legibility" of the cityscape.

The first line in the chorus... "Im on top of the world." and then the "Hey!", the "Hey!" is low by one step (E natural in the composition vs. F natural in the performance). I changed it when playing it, but it is done inaccurately throughout. Otherwise, it's a fun readout to toy with a bit to add some personality to it.
