Diabetes: Socioeconomic Inequalities in the Portuguese

The purpose is to identify major economic, historical and literary trends, but we need to include major issues concerning inequality in education and capabilities, health, life cycle, gender, ethnic, and religious relations. The realities of migration will also be addressed, since they raise the issue of ethnic integration.

King's College London - Inequality in the Portuguese

inequality definition: 1. the unfair situation in society when some people have more opportunities, money, etc. than other people: 2. a lack of equality or fair treatment in the sharing of wealth or opportunities: 3. a situation in which money or opportunities are not shared equally betweenâ€€.
