

interactive media the semiotics pdf

Punctum is a blind peer-reviewed, on-line journal dedicated to the semiotic study of contemporary cultural texts, practices and processes, published under the auspices of the Hellenic Semiotic Society.

Punctum.

New media are forms of media that are native to computers, computational and relying on computers for redistribution. Some examples of new media are telephones, computers, virtual worlds, single media, website games, human-computer interface, computer animation and interactive computer installations.

New media - Wikipedia

Interaction is a kind of action that occur as two or more objects have an effect upon one another. The idea of a two-way effect is essential in the concept of interaction, as opposed to a one-way causal effect.

Interaction - Wikipedia

The following subject specific vocabulary provides definitions of key terms used in our GCSE Media Studies specification (8572). Students should be familiar with and gain understanding of these terms.

AQA | Subject specific vocabulary

Our work is centred around freedom of speech and expression across three domains - strengthening community media platforms, democratizing usage of urban public spaces through creative practice and deepening rights based campaigns.

Maraa - a media and arts collective

Examples of the threshold concept must be transformative and involve a traverse through a liminal space. They are likely to be characterised by many of, but not necessarily all of, the other features listed above.
