6 The Core International Human Rights Treaties State, of the economic, social and cultural rights indispensable for his dignity and the free development of his personality.

The Core International Human Rights Treaties - OHCHR

The United Nations human rights treaties are at the core of the international system for the promotion and protection of human rights. Each of these treaties has established a committee of experts (the treaty bodies) to monitor implementation of the treaty provisions by its States parties. Some of the treaties are supplemented by optional protocols dealing with specific concerns. An Optional Protocol to a treaty is an instrument that establishes additional rights and obligations to a treaty.
