### **KISS-Prinzip** "Wikipedia

The article "Keep it simple" illustrates just how fundamental the desire for simplicity influences our lives: Particularly in times like these, we need to concentrate on what is essential and reduce complexity for our customers.

### **keep it short and simple - Deutsch-Übersetzung** "Linguee

Examined: While the preference for simple solutions can be considered trivially intuitive, there has been some work relating simplicity or rather complexity and certain quality attributes. But as there is no universally applicable complexity metric and not even a commonly agreed upon clear definition of simplicity, research is bound to examine certain aspects of KISS independently.
