PDF to Keynote began as a Perl script (called pdf2keynote). It was sometimes a bit slow, so I thought it would be nice if it had a graphical interface so you could watch its progress as it saved the file. I also figured that such a tool could be useful to more people than just me, but that most other people would prefer a GUI application.

Product Key Locations. Product keys are codes that identify each product version. You can find product keys for recent versions of your product in Autodesk Account, on the Management tab. To look up a product key for a particular product version (2010 and later), you can also go to: Look Up Product Keys.
