

peer reviewed journal articles pdf

You'll find peer-reviewed articles in academic journals. Journals are magazines for scholars in a specialized field of study, like psychology, mathematics or political science.

Finding Scholarly, Peer-Reviewed Articles - library.sjsu.edu

Peer-reviewed articles are assessed and critiqued by the scientists and experts in the same field after the article is distributed for review. An author is expected to incorporate the suggested changes prior to publication. This process enriches the content and improves the quality of the presentation considerably.
