Documenting Discipline and Performance Issues ... format. A poorly written document will reflect negatively on both the company and the supervisor. " The document itself should have a statement about its purpose. For example, if the employee has consistently failed to meet company production standards, that should be explained in the documentation. " The documentation should have a ...

Documenting Discipline and Performance Issues

Hey, I need a bad example of technical writing document that I can revise for my english class. It has to be made for print. Its supposed to be around 5-7 pages, and in need of a redesign to increase its readability and utility. If you can find anything, that would be great! Thanks in advance.
