SUBJECT: New copy Procedures A recent study of our copy center request procedures indicates that we are not fulfilling copy requests as efficiently as possible. A number of problems surfaced in the survey. First, many requests, particularly large orders, are submitted before the copy center ...

Poorly Designed Documents for Redesigning - L. Irvin

The sad irony is, these companies commission, print and distribute these poorly written documents; and then, they turn around to tech writers and tell them "nobody reads these manuals anyway" when negotiating a project. They are not aware that they're helping create a self-fulfilling prophecy while generating a bad user-experience for no good reason at all. They debase what can be a win ...

Hazards of Poorly Written Technical Documentation

Hey, I need a bad example of technical writing document that I can revise for my english class. It has to be made for print. Its supposed to be around 5-7 pages, and in need of a redesign to increase its readability and utility. If you can find anything, that would be great! Thanks in advance.
