Prehistoric music, once more commonly called primitive music, is the name given to all music produced in preliterate cultures , beginning somewhere in very late geological history.

History of music - Wikipedia

The connection between music and politics, particularly political expression in song, has been seen in many cultures. Although music influences political movements and rituals, it is not clear how or to what extent general audiences relate to music on a political level. Music can express anti-establishment or protest themes, including anti-war ...
