This document contains step-by-step set of instructions with screenshots for the most commonly used SAP Production Planning processes. Instructions may not be broken down into much details but it will still be a good reference for PP End Users.

## **Step by Step SAP PP End User Manual - SAP Materials**

This blog explains the detailed configuration and master data settings necessary to implement the aATP process. Before we explain the actions to set up the systems, we need to first address the larger questions: What is the compelling reason my company should move to 1610 and purchase the aATP license? What do I gain from [â€]
