### **Reference and Information Services - ALA-APA**

The reference desk or information desk of a library is a public service counter where professional librarians provide library users with direction to library materials, advice on library collections and services, and expertise on multiple kinds of information from multiple sources.

### **Reference desk - Wikipedia**

Reference services may vary from library to library, but most libraries have an information or Reference Desk where assistance from a librarian is available. Almost all libraries provide reference services via the telephone and many libraries offer email, text, or chat services with a reference librarian.
